## Continuation Sheet (PTOL-303)

## Application No.

Continuation of 3. NOTE: a) it is noted that new claim 18 in the amendment is a duplicate of claim 1, which requries further consideration because it raises an objection due to ODP. Thus, the amendment does not simplify the issues of the rejections and further does not place the application in better condition for appeal or allowance.

Continuation of 11, does NOT place the application in condition for allowance because: Applicant's arguments have been fully considered but they are insufficient to overcome the rejection under 103 (a) and the objection of claim 10 as being dependent upon a rejected base claim 1. The rejection and objection are maintained for the reasons made of record in the office action mailed 2/3/09 as directed to the previously presented claim limitations. Applicant's amendment filed on 4/3/09 has not been entered. Thus, the arguments directed to claim amendments not entered are currently most.
